datafest 2025.

hot springs  
still waters  
stormy seas

2020

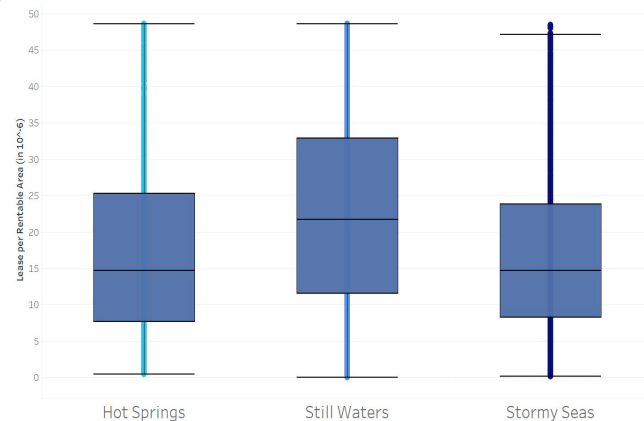

96%

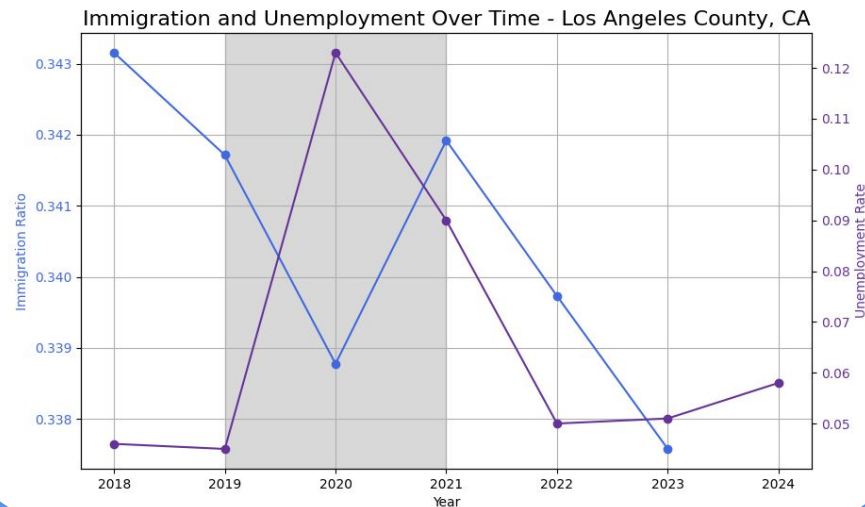

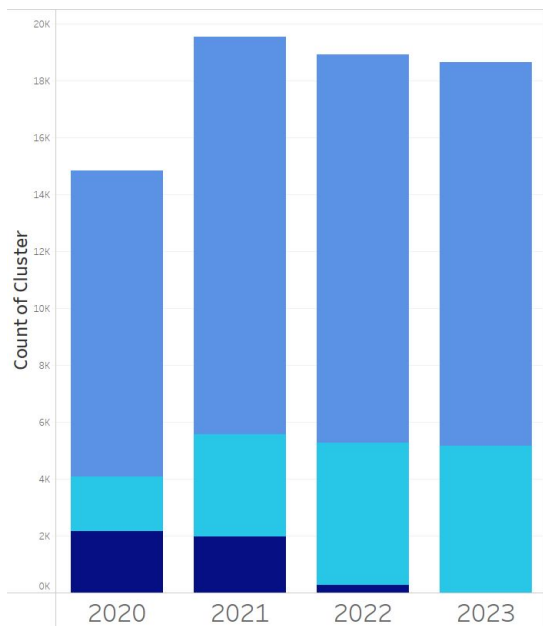

LA Cluster  
Count

still waters showed  
the highest average  
leasing activity by  
60%

objectives for Savill's clients:

- minimize volatility
- maintain growth potential

- grows size of labor force
- boosts revenue
- increased consumer demand

recommendations:

consider de-emphasizing areas which may be susceptible to economic trends

keep in mind the impact of new policy across different industries
